~ CUSTOMER COMMENTS ~

Dallas Theological Seminary

Dear Mr. Kelly,
Thank you so much for your help with our Faculty/Staff Christmas Party in December. You were able to provide us with a specific-sized tablecloth which I could not find from other vendors. You delivered a large quantity and picked them up promptly after the event. We appreciate your assistance in making our event a true celebration of the birth of our Savior! We look forward to working with you more for future events.

Many blessings, Elizabeth M. Oates

Stan,

Thank you and your staff for the wonderful table linen creation at Staci and Brent's wedding. Thank you for being so patient with me and all of my visits! Once again, thank you so much.

Gloria Jackson – Bride's Mom

Please tell Yong thank you very much for all her help. I have found all my contacts with you both to be very pleasant. I realize I am a very small account on the scale of things. You guys make me feel just as important as your biggest events!!
